

TENTERDEN BOWLS CLUB NEWSLETTER – August 2020

Hello everyone,

We trust that you are all keeping safe in these strange times.

The club competitions are progressing very well and have proved an excellent way for us to get to know each other. There is a game going on most afternoons so why don't those who are not involved in playing this year come down and say hello. The heat may mean that some games are postponed or delayed.

Brian Cochrane is in the lead of league 1 and Carol James is leading league 2.

We are now playing a pairs competition and a triples day has been arranged for Saturday 15th August. There will be play morning and afternoon so do feel free to come down and watch.

The Pairs semi-finals will be on Monday 24th August at 2.30pm Again feel free to come and watch.

Terry Joint has also arranged a skills day on Saturday 5th September led by Alan Haselup. This is a fun day open to all regardless of bowls ability. The day has proved very popular in the past. A good number of members have already signed up but there are a few spaces left. If you would like to join the day, ring Terry Joint on 01580 241570.

The team working on the green have done sterling work and we can hardly see the damage now. The shrubs Mary planted are thriving and all looks very good.

So far we have no progress news on the club house. We are waiting for the town council to decide if they can help us.

Several members have commented that we have no bowls stickers. They are now available at £1 per set and will be in the box near the raffle tickets.

100 club this month was won by Jill Dedrick, 2nd was Carol James.

Take care everyone.

Judith and Terry Pickford
