Newsletter 24th September 2025.

The season seems to have gone very quickly this year. We feel it has been a successful one though, with us being able to field full teams, without too much difficulty, for all of our matches.

The Mermaid League

Our members played well in this league and we ended the season in 3rd place out of 9 teams. Fairlight were 1st with 133points and Gullivers were second with 105 points. Tenterden got 102 points so we weren't too far behind the 2nd placed club. This should encourage us for next season.

The Weald League

Tenterden A had an extremely successful season to become the Champions of Division 4 in this League. Their final place at the top of the division will lead to them being promoted to Division 3 next season. A fabulous result, so well done to all those who played for Tenterden A.

Unfortunately Tenterden B did not fare quite so well. They faced a lot of tough opposition in Division 3. Everyone played well and the matches were very close but despite their excellent efforts they ended up second to bottom in that division. This means Tenterden B will now be demoted to Division 4.

On the plus side, the final results indicate that we should be playing in both divisions again next year. So well done to all of those who gave up their evenings to play in this league. Their efforts were greatly appreciated.

Internal Competitions

Our internal competitions ended with some very close and exciting games. A photo of the winners can be found on our website. There was a good turnout for the BBQ on the Sunday afternoon of Finals Weekend and fortunately the weather remained dry for us.

Breton Court

Sadly the turnout of our members for the game with staff of Breton Court was not brilliant and the weather that day was disappointing to say the least. Those that were able to attend had a fun evening though and enjoyed the spread of food and drink provided by Parveen and Priya of Breton Court. Hopefully more of our members will be able to attend this annual event next year.

AGM

This year's AGM is to be held in the clubhouse at **11am on Saturday 25th October** and will be followed by a barbecue.

Any proposal for consideration must be submitted to the Secretary by Saturday 27th September and must be signed by the proposer and seconder, both of whom must be Full Members.
