

TENTERDEN BOWLS CLUB NEWSLETTER - September 2020

Hello everyone,

As Covid 19 continues to affect all our lives, we trust that you are keeping well.

Brian Cochrane has won league 1 and Carol James won league 2.

The Final of the club Pairs competition was played early because of various commitments. Geoff and Terry P beat Derrick and Tony in an entertaining close game.

The other finals are being played on the weekend of 19th /20th of September.

This Thursday 3rd we have the Pairs day

The skills day will be led by Alan Haselup on Saturday 5th and the triples day will be held on the 11th. Terry J. reports that all events are well supported. There is a reserve list for each event. Do come and support the players if you are able.

We will have our final fling competition on Saturday 28th. This is a fun way to finish our season. The green will be closed on September 30th in order to do the required winter treatment. This year again we have agreed to pay the Fine Lawn company to complete this task.

The team working on the green have done sterling work and I think it looks better than it has for this time of year. Charlie, Geoff, Derrick and Phil spent Friday cutting the hedge and it now looks very smart. Thank you for your hard work.

So far we still have no news on the proposed development of the club house. Some of the committee met 4 Tenterden council members at the green on 1st of September to discuss their response to our request for funding. Their offer leaves us considerably short of the required funds. We have invited all the council to come and see the green in action and to show them why we need new facilities.

If there is anyone who would like to play in the county games please let Judith know. It is a good way to improve your game by playing at a different level and on different greens.

100 club this month was won by Doris Finnis with Margaret Knight winning 2nd prize..

Take care everyone.

Judith and Terry Pickford
