Our final fling on Saturday 26<sup>th</sup> was very cold and I worried that not enough people would attend. In the end 19 people arrived. So we had 3 rinks of triples which was great. Jenny C.P. only played one game and Judith took over. Everyone enjoyed the afternoon.

Due to Covid 19 restrictions we are unable to have our annual presentation dinner and therefore the trophies were given out on the days. Well done to the winners and runners up. Thank you to Terry J for his outstanding organisation and for everyone who took part. I think we have all enjoyed this very different season. In total there were over 260 games played not counting the roll ups and Thursday evenings. The deposit we paid for the meal will be held over to next year initially.

There was a good number of people to do the end of season clean up on Thursday 1<sup>st</sup> October thank you all. A big thank you to Derrick Addis who is overseeing the necessary treatment of the green in preparation for next year. Many thanks also to the team who will continue to swish and sweep the Green over the winter.

Also due to the restrictions imposed on numbers meeting, we will be unable to hold our AGM this month. The present committee are willing to stand until we are able to meet unless anyone has any objections. Contact Judith if you need clarification.

If anyone would like to take part in county or national games in 2021 please let Judith know on 762200 by the end of November. These are knockout games and are open to anyone of any ability. In both the national games and Kent games there are singles doubles triple and fours. In the national games there are family doubles as well. If you need more information about what these entail, again, contact Judith.

Take care everyone.
